ANNOUNCEMENTS

WE'RE 200+ BRANCHES STRONG! TOGETHER, WE'VE CROSSED A REMARKABLE MILESTONE

We're proud to celebrate **200+ Pro Ultimate Gyms branches** across India—a milestone powered by the trust of our members, franchise partners and teams. Since 2012, we've continued to grow while staying focused on quality. As we expand our footprint across India, our vision remains clear: to bring world-class fitness experiences to more people, in more places.

And we're just getting started.

प्रो अल्टीमेट जिम्स ने पार किया 200 शाखाओं का आंकड़ा नोएडा सेक्टर-22 शाखा उत्तर भारत में फिटनेस विस्तार की प्रमुख कड़ी

नोएडा, 7 सितंबर। प्रो अल्टीमेट जिम्स ने देशभर में 200 से अधिक शाखाओं का आंकड़ा पार करने की घोषणा की है। कंपनी के अनुसार यह उपलब्धि देश में फिटनेस सेवाओं के विस्तार और आधुनिक फिटनेस सुविधाओं को अधिक लोगों तक पहुंचाने की दिशा में महत्वपूर्ण पड़ाव है। नोएडा सेक्टर-22 स्थित शाखा भी उत्तर भारत में ब्रांड के विस्तार की प्रमुख कड़ियों में शामिल है। वर्ष 2012 में अभिषेक गग्नेजा द्वारा स्थापित प्रो अल्टीमेट जिम्स का विभिन्न शहरों में विस्तार हुआ है। कंपनी के अनुसार उसका लक्ष्य गुणवत्ता, स्वच्छता और आधुनिक उपकरणों के साथ फिटनेस सुविधाओं को अधिक सुलभ बनाना है।

ट्रेनिंग के साथ रिकवरी पर भी जोर
प्रो अल्टीमेट जिम्स के अनुसार उसके

फिटनेस मॉडल में केवल वर्कआउट ही नहीं, बल्कि ट्रेनिंग, रिकवरी और व्यक्तिगत मार्गदर्शन को भी महत्व दिया जाता है। सदस्यों के लिए मसाज चैयर, आइस-कोल्ड बाथ और स्टैंडिंग जैसी रिकवरी सुविधाएं उपलब्ध कराई जाती हैं।

कंपनी की पर्सनल ट्रेनिंग व्यवस्था में ट्रेनर्स को बौद्धिक, स्टैंडर्ड, एडवांस्ड और एलीट स्तरों में वर्गीकृत किया

गया है। इससे सदस्य अपनी जरूरत और फिटनेस स्तर के अनुरूप ट्रेनिंग का विकल्प चुन सकते हैं।

फिटनेस से जुड़े कई क्षेत्रों में विस्तार
प्रो अल्टीमेट जिम्स के अलावा

कंपनी फिटनेस उपकरण, प्रशिक्षण एवं प्रमाणन, स्पॉट्स अपरेल और जिम प्रबंधन सॉफ्टवेयर जैसे क्षेत्रों में

प्रो अल्टीमेट जिम्स ने पूरे भारत में 200+ शाखाओं का आंकड़ा पार किया

नोएडा, 7 सितंबर (एजेंसियां)। प्रो अल्टीमेट जिम्स, जिसे भारत का नंबर 1 फिटनेस ब्रांड और सबसे बड़ी जिम चेन माना जाता है, ने पूरे भारत में 200+ शाखाओं का महत्वपूर्ण आंकड़ा पार करने की गर्व से घोषणा की है। यह उपलब्धि ब्रांड के देशव्यापी विस्तार में एक और महत्वपूर्ण कदम है और उत्तर भारत में इसकी बढ़ती उपस्थिति को और मजबूत करती है, जिससे इसका विश्वस्तरीय फिटनेस इकोसिस्टम और अधिक लोगों तक पहुंच रहा है — इसमें नोएडा सेक्टर 22 स्थित प्रो अल्टीमेट जिम इस क्षेत्र में इस गति को आगे बढ़ाने वाली प्रमुख शाखाओं में से एक के रूप में उभरकर सामने आया है। 2012 में श्री अभिषेक गग्नेजा द्वारा स्थापित, प्रो अल्टीमेट जिम्स तेजी से फिटनेस इंडस्ट्री में एक प्रमुख शक्ति बनकर उभरा है, जिसकी कई शहरों में 200+ शाखाएं हैं। अपनी नवाचार, गुणवत्ता और परिणाम-केंद्रित दृष्टिकोण के लिए जाना जाने वाला यह ब्रांड भारतीय फिटनेस

परिदृश्य में लगातार नए मानक स्थापित कर रहा है।

इस विकास के केंद्र में एक सशक्त दृष्टिकोण है — गुणवत्ता, स्वच्छता और विश्वस्तरीय उपकरणों में मानक स्थापित करते हुए दुनिया की अग्रणी जिम चेन बनाना, और साथ ही फिटनेस को हर व्यक्ति के लिए किफायती और सुलभ बनाना। उत्तर भारत में ब्रांड का निरंतर और तेज विस्तार केवल शाखाओं की संख्या बढ़ाने से कहीं अधिक है — यह पूर्ण प्रो अल्टीमेट अनुभव की बढ़ती मांग को दर्शाता है। नोएडा सेक्टर 22 शाखा इसी मांग का उदाहरण है, जो इस क्षेत्र के सदस्यों को प्रीमियम जिम इंफ्रास्ट्रक्चर और अत्याधुनिक उपकरण एक समग्र फिटनेस वातावरण में प्रदान करती है, और सदस्यों को बेहतरीन मूल्य व बदलाव देने की ब्रांड की प्रतिबद्धता को फिर से पुष्ट करती है।

PRO ULTIMATE GYMS CROSSES 200+ BRANCHES ACROSS INDIA, STRENGTHENS FITNESS FOOTPRINT IN NORTH INDIA

Noida Sector 22 branch emerges as a key centre in the brand's growing North India presence, offering modern equipment, structured personal training and dedicated recovery facilities

TO REPORTER

NOIDA: Pro Ultimate Gyms has crossed the milestone of 200+ branches across India, marking a significant achievement in the fitness brand's nationwide expansion. The development further strengthens the company's growing presence across North India, with its "Noida Sector 22 branch" emerging as one of the key centres driving the brand's growth in the region.

Founded in 2012 by "Abhishek Gagneja", Pro Ultimate Gyms has expanded its network across multiple cities over the past 14 years. The company has positioned itself around a comprehensive fitness model that combines modern gym infrastructure, professional training, recovery facilities and technology-driven solutions.

The company said its expansion across North India reflects the growing demand for professionally managed fitness centres

that provide members with more than conventional workout facilities. The Noida Sector 22 centre offers modern gym infrastructure and advanced equipment, along with facilities designed to support training and post-workout recovery.

A major feature of the Pro Ultimate model is its focus on an integrated fitness ecosystem. Along with its gym network, the group operates across verticals including "gym equipment manufacturing, professional fitness education, sports apparel and gym management software".

The brand also places emphasis on recovery as an important part of the fitness journey. Members at centres including the Noida Sector 22 branch can access facilities such as "massage chairs, ice-cold baths and steam facilities", designed to complement regular training and support post-workout recovery.

Pro Ultimate Gyms has also introduced a structured

personal training system under which trainers are categorised into "Basic, Standard, Advanced and Elite" levels. The system enables members to select training support according to their individual fitness objectives.

At the Elite level, trainers focus on personalised requirements including muscle imbalances, lifestyle-related concerns and individual training needs. Where required, the

recovery within a single fitness ecosystem.

Pro Ultimate Gyms has also received recognition within the fitness industry. The brand was awarded the title of "Fastest Growing Gym Chain in India" at the IHFF Sheru Classic 2024. It has also been associated as a prominent sponsor with IHFF Sheru Classic events in Delhi and Mumbai during 2024, 2025 and 2026.

Speaking on the 200+ branch milestone, "Abhishek Gagneja, Founder & Chairman, Pro Ultimate Gyms", said the achievement reflects the trust of the brand's members and franchise partners.

"Crossing 200 branches is a proud milestone for us and a testament to the trust placed in Pro Ultimate by our members and franchise partners. Branches like our Noida Sector 22 centre are a strong example of the trust and community we've built in North India. Our vision is to make world-class fitness accessible across every corner of India," Gagneja said.

FEATURE

A STORY OF STRENGTH, LEADERSHIP & PURPOSE FROM PERSONAL GROWTH TO PURPOSEFUL LEADERSHIP

We're proud to see Anupam Jyot Kaur, MD – Pro Ultimate, featured in the latest edition of Urban Melange Magazine. In this inspiring feature, Anupam ma'am shares her journey from unexpectedly stepping into the fitness industry to finding her own space as a leader — building confidence, embracing challenges and leading with authenticity. Her story is a reflection of resilience, continuous learning and the courage to create your own path. A well-deserved feature celebrating a leader who continues to inspire through her journey and vision.

Read her story in the September 2026 edition of Urban Melange.

FEATURE

FINDING HER STRENGTH AND LEADING HER OWN WAY

Fitness was never a part of Anupam Jyot Kaur's original career plan. Yet, what began as an unexpected journey alongside her husband evolved into a leadership role at Pro Ultimate. Her story is one of self-discovery, resilience and learning to create her own space while leading with authenticity and purpose.

What first drew you to entrepreneurship and the fitness industry?

Honestly, fitness was never something I had planned as a career. My journey began largely because of my husband, who was deeply involved in sports and encouraged me to join him. He had a bigger vision of building a fitness empire, which I did not fully understand at the time. But I knew my strengths: I was organised, enjoyed managing things, bringing structure to chaos and making systems work efficiently. While he brought the vision and passion, I found my role in building the systems around it. Over time, fitness became much more than a business; it became a space where I discovered my capabilities and found an unexpected purpose.

What has your journey as a woman leader taught you?

It has taught me that being a woman should never become a limitation you place on yourself. As a daughter, wife and mother, I have experienced different responsibilities and expectations. There were situations where people questioned whether I could handle something simply because I was a woman, but I refused to accept that

narrative. Working outside the home gave me confidence, perspective, resilience and a desire to keep learning. Leadership, for me, is not about being like a man; it is about bringing my strengths, empathy, discipline and determination to the table.

Was there ever a moment when you doubted yourself?

Absolutely—many times. I have questioned my decisions and whether I was capable of handling certain situations. Self-doubt is something most people experience. What helped me was accepting that I do not have to know everything. I am willing to learn, ask questions, listen and improve. There is strength in saying, "I don't know this yet, but I can learn." Every doubt became an opportunity to grow.

What is one challenge you faced simply because you were a woman?

When I entered fitness in 2013, there were very few women, especially in business. I was often the only woman in a room full of men, and there were times my ideas were not given equal weight. I realised that earning credibility is about continuously learning, developing skills, innovating and creating value. Eventually, your work and impact earn your place, and gender becomes secondary.

What does being a woman in leadership mean to you today?

It means being confident in what I bring while remaining open to learning. Technology and younger generations are changing how we work, so leaders must evolve. I welcome ideas from my teammates, regardless of age or position. Leadership is not about having all the answers; it is about bringing the best ideas together, making informed decisions, building a strong team and contributing to the organisation's long-term growth.
